INVESTOR RELATIONS — CLIENT GROWTH — PARTNERSHIPS — CUSTOMER SUCCESS

Investor relations and client growth professional with 7 years of experience across asset management and fintech. Proven track record supporting \$100M+ in capital initiatives, client acquisition, and investor engagement across UHNW, institutional, and venture-backed environments. Recognized for driving client relationships, sales and improving cross-functional execution and long term growth.

PROFESSIONAL EXPERIENCE

Investor Relations & Growth Consultant

Feb 2022–Present

Venture Backed Startups, New York, NY

- Led investor positioning and capital strategy across fintech and early-stage companies, supporting \$10M+ in fundraising initiatives and pipeline development across multiple cycles.
- Created investor materials, pitchbooks, marketing content, CRM infrastructure, and AI-driven processes that improved fundraising efficiency, investor engagement, and reporting visibility.
- Drove investor outreach, client acquisition, and go-to-market growth initiatives in partnership with founders, resulting in stronger pipeline conversion and expanded investor participation.
- Advised founders on investor communications, marketing, and capital raising execution within fast-paced growth environments.
- Built and implemented CRM workflows in HubSpot and Salesforce, improving operational scalability, client visibility, and retention across advisor and client pipelines.

Manager, Investor Relations & Client Success (Contract)

Jan 2024–Aug 2024

Farther Finance (\$2B+ AUM), Remote

- Directed onboarding and transition of 30+ clients and advisors per month, supporting multimillion-dollar UHNW relationships during rapid platform expansion; improving processes, tracking, and future execution.
- Partnered directly with leadership to support client acquisition, advisor transitions, and platform growth across advisor pipelines.
- Increased advisor success and retention across teams by regularly meeting in-person with prospective clients, strengthening relationships and long-term client outcomes.

Associate, Product & Investor Strategy

Jan 2021–Feb 2022

Lord Abbett (\$200B+ AUM), New York, NY

- Executed 100+ institutional RFPs and DDQs supporting \$100M+ in capital allocation, fundraising, and institutional investor processes.
- Supported investor relations strategy and institutional client growth through capital positioning, fund performance communication, and investor engagement.
- Managed CRM database and cross-functional processes across legal, finance, IR, sales, and operations to deliver high-quality investor due diligence and client deliverables quickly.

Analyst, High Net Worth Division

Aug 2019–Oct 2020

Morgan Stanley (\$1.5T AUM), New York, NY

- Supported \$10M to \$100M UHNW client portfolios, contributing to capital allocation strategy, portfolio positioning, and long-term relationship growth across high-value client accounts.
- Developed and updated business development tools including client presentations, firm competitive analysis, pitchbooks, white papers, financial analysis and marketing materials for senior management.
- Built an internal database for advisors to leverage BD resources and marketing materials that increased advisor engagement by 27%.
